eventful year at

GRANVILLE WELLS SCHOOL

"We are thankful that there is still sunshine, that we can still glimpse the blue of the sky; and in the darkness of the night, see the stars twinkling in the heavens, symbols that on Beyond is an Ever-Guiding Destiny that shapes the lives of men; thankful for friends, thankful for loved ones, thankful for education, thankful for joy in living; thankful for the knowledge that only through service to others may happiness be found."

Class Poem

by JOYCE McCULLOUGH

A real sweet girl is our Ann,
We hope some day she'll find her man.

Steve Baringer never goes through a day,
Without having something wise to say.

Juliette, as you can plainly tell,
Plans to become Mrs. Don Caldwell.

A real Nice guy is Ted Darnell,
In our class, we think he's swell.

The blushing boy is Alvin Dale,
With all his talents, he'll never fail.

The shortest one in our class is Judy,
But she stands tall in performing her duty.

Harold Emmert is always near,
And our class president this year.

Nancy Goodnight goes around in a trance,
Could it be her thoughts are in France?

Shirley thinks the Navy's fine,
I wonder who she has on her mind.

Donna is always a lot of fun,
Happiness to both her and Myron.

Morris can really drive those cars,
His only trouble is buying new tires.

Larry Kinkead is a fairly tall guy,
Without him, our team could not get by.

Norman McHargue is a likeable lad,
He loves to make the teachers mad.

When it comes to dancing, Connie's a pill,
But her greatest interest is Debbie and Bill.

Arvil has never been caught sleeping,
Although he has a time in Bookkeeping.

Jim Pickering is a very nice lad,
Who seldom ever does get mad.

Jim Ramsey never raises a fuss,
We're glad to have him graduate with us.

You can see Maxine sit and sigh,
When a certain boy walks by.

Dana cuts up and is always merry,
All because of a boy named Terry.

Sally Roberts is never a flirt,
Because she goes steady with Ron Ebert.

Fred Robison is the comedy of our class,
And Joyce is his special lass.

Rex is the inventor of our class, and with success,
We wish him luck and happiness.

Here's a swell guy, Harold Wayne,
He's always fun, sunshine or rain.

Wilbur is the only one Martha dates,
They'll marry after she graduates.

Sally Williams is a quiet lass,
We're glad to have her in our class.

Keith is the center on our team,
And in bookkeeping, he's always on the beam.

Joyce, no doubt, is very nice,
And soon hopes to be hit by rice.

Senior Class Prophecy

Dear Mrs. Westfall,

Almost ten years have passed since the Class of "59" graduated from Granville Wells High School. I am now a receptionist for my husband, Myron Densmore, and have met several of my classmates.

I was talking to Ann Ashley the other day. She is a singer and has been booked to sing for six weeks in a Paris night club. Her husband, John King, is going with her.

Shirley Graham joined the Waves a year after graduation. She is stationed in California and is going with the tall, dark, and handsome sailor she dreamed about during her senior year in high school.

Steve Baringer is the history teacher in Granville Wells High School. I understand he is replacing Mrs. Endicott since her retirement.

Juliette Chelf is married to Don Caldwell. She is also working for a big executive in New York, where they are now living.

I was talking to Norman McHargue the other day. He is a well-known disc-jockey at radio station WIBC at Indianapolis.

Maxine Ragsdale and Connie Neff are models for Macey's of New York. I hear the chemise has come back into style again.

Sally Roberts has gone to Hollywood to star in a movie. She has all of five lines to say in her role.

Another member of our class, Ted Darnell, made Hollywood. He is an usher in one of Hollywood's most famous theaters.

Joyce McCullough is married to Fred Robison. They are now living in Advance and Joyce owns the Arthur Murray Dance Studio located in downtown Advance.

Morris Hoover told me that he had won an award as Indiana's safest driver. I also hear that he has no passengers riding to work with him anymore. I guess they were scared away.

Nancy Goodnight is married to Bob Guernsey and has two little Guernseys. She is also the president of the Always Late Society. I don't know how she ever got into that club.

Judy Dickson is press agent for one of the most famous movie stars in this period of time, Jim Pickering.

Harold Emmert is a professor at Vassar College, a school for women.

Martha Whiles was married to Wilbur Sellers a week after graduation. She is now working as a dental assistant for another member of our class, Larry Kinkead.

Harold Stoner and Keith Witt have formed their own basketball team. I hear it is similar to the Harlem Globetrotters.

Arvil Pennington has a big real estate firm close to Dallas, Texas. He is a light weight boxer, also. He has been defeated twenty times out of twenty-one matches.

Dana Rhoades is now residing in Miami, Florida, and owns her own Beauty Salon. She was married to Terry Ross about a year after she graduated from school.

Can you imagine Rex Stewart being a race driver? He has been racing for three years at the Indianapolis "500", and last year placed third.

Alvin Dale lives in California and is studying to be a lawyer. He has just married the Miss America of 1961.

Sally Williams is a secretary for a business firm in Chicago. She is also the president of the Lonely Hearts Club in Chicago.

Another member of our class, Jim Ramsey, is studying to be a lawyer. When he has finished his schooling, he will start his practice in Jamestown, Indiana.

I hope you have enjoyed hearing what the Class of '59 has been doing. As you can see, we are all successful.

Yours truly,

Donna Hedge

THREE THINGS

Three things to govern: temper, tongue, and conduct.
Three things to cultivate: courage, affection, and gentleness.
Three things to commend: thrift, industry, and promptness.
Three things to despise: cruelty, arrongance, and ingratitude.
Three things to wish for: security, independence, and happiness.
Three things to admire: dignity, gratefulness, and honesty.
Three things to give: aid to the needy, comfort to the sad, and appreciation to the worthy.

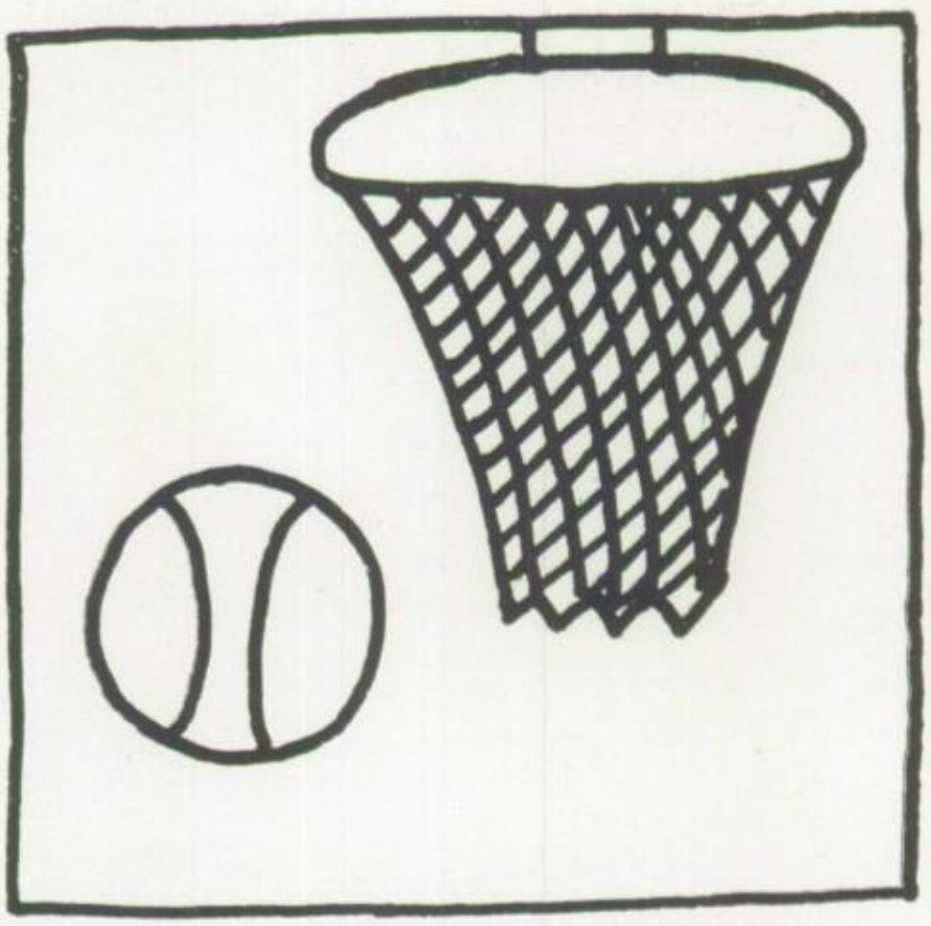
ATHLETICS



OUR COACHES

Ronald Dickerson, Charles Wright, Jerry Long

Granville Wells School takes much pride in the capable direction of athletics under our three coaches. They have guided our teams to many victories and have displayed their knowledge of good coaching. Without their ability and supervision, the athlete would not be able to apply himself in his respective sport. The objective of this staff is not only to produce a winning squad but to develop mature character, good sportsmanship, competitive spirit, and well-rounded school citizens.

BASEBALL

In the Fall baseball competition, the Wells team did quite well. Under the direction of Mr. Charles Wright and Mr. Jerry Long, they had a 6 won and 3 lost season. In the conference race, Wells was first, winning five and losing none.

BAND

The Senior Band, consisting of fifty-one students, has experienced one of its most successful years under the excellent direction and supervision of Mr. Merle Bucklew.

The officers of the 1958-59 school year were: president, Nancy Goodnight; secretary, Juliette Chelf; treasurer and student council representative, Judy Ebert.

At the beginning of the year, the two drum majorettes were chosen by Mr. Bucklew. After tryouts and consideration, Judy Ebert and Sue Shubert were chosen.

The activities for the year have been numerous. As a money-making project, the band sponsored a sock-hop following each Friday night home game.

The band marched at four of the home games, giving a fine performance each time. Musical selections were played at all home games.

Those who entered the district solo and ensemble contest did exceptionally well. There were fifteen entries, seven of which won first place. The band boosters have been the greatest of help in supporting the band. Among other things, they bought two sousaphones this year, which improve the sound and apprearance of the band.

Another addition that was made was the purchase of new uniforms for the twirlers and the drum majorettes.

The band was host for the Boone County Spring Music Festival, March 13, 1958. In addition, the school will play host for the district band and chorus contest.

NATIONAL HONOR SOCIETY

The National Honor Society was organized in the Jackson Twp. School on April 17, 1953 by the Lebanon High School Chapter. Fifty-one members have been initiated into the Jackson Twp. and Granville Wells High School Chapter. For the school year of 1958-59, we have nine members. The officers are as follows: Pres. - Pat Owens, Vice-Pres. - Mary Branstetter, Treasurer - Janice Yount, Corresponding Sec. - Harold Emmert, and Recording Sec. - Alvin Dale. We also have three honorary members - Mr. John Spohr, Mr. Herman Broshar, and Mr. Goodnight.

The emblem of the National Honor Society is the keystone and the flaming torch. The keystone bears at its base the letters "C", "S", "L", and "S", which stand for Character, Scholarship, Leadership, and Service.

The scholastic requirements for becoming a member of the Honor Society are as follows: Sophomore - no more than two "C" averages with two "A" averages to balance them; Junior - no more than three "C" averages with at least three "A" averages to balance them; and for the Senior - no more than five "C" averages with at least five "A" averages to balance them.

They must also excell and be outstanding in Character, Leadership, and Service. The faculty or Principal must find no fault with the candidates' record in any of these fields in order for the candidates to become members of the National Honor Society.

A convocation was presented by the Honor Society on Feb. 12. At this time new members were initiated, and each was given a certificate and the Honor Society pin. The girls' chorus, under the direction of Mr. Bucklew, provided appropriate music. Honorary members and several former members were present and introduced. Parents of the members were special guests. After the convocation a reception was held for the new members, guests, parents, and faculty.

During her four years in high school, she maintained a record of scholastic excellence that placed her above all others. Her name will appear on the "Honor Trophy" in the school in recognition of this achievement.

Honor came to Granville Wells School when the baseball team won the Big Four Conference Trophy. The names of the team members are inscribed on the trophy. The Big Four Conference is comprised of eight schools from the Counties of Boone, Hendricks, Putnam, and Montgomery. The eight schools are Dover and Granville Wells from Boone, North Salem and Pittsboro from Hendricks, Bainbridge and Roachdale from Putnam, and Ladoga and New Market from Montgomery. The trophy is triangular in shape and topped with a baseball player.
